MEDI Expo has been working on the Russian market since 1998, specialising in holding international projects in various branches of medicine, promoting the introduction of innovation technologies into sphere of state medical care and facilitating the implementation of priority tasks in public health.

MEDI Expo annually holds up to 16 different kinds of national and international events, each of them is visited by from 500 to 5000 delegates from Russia, USA, countries of the CIS, Europe, Asia. The regional projects of the company were successfully held in Sochi, Kazan, Ekaterinburg, Rostov-on-Don, Gelendzhik.

Annual success of all our events is the result of laborious work fulfilled by the united professional team. Our clients know execution of the wishes is a core priority for all our employees.

Professional competence of the company is confirmed with distinctions of industry professional communities, that’s why “MEDI Expo” is a member of such professional exhibition unions and associations as:

- The Russian union of exhibitions and fairs (RUEF),
- The International congress and convention association (ICCA),
- The Global Association of Exhibition Industry (UFI),
- The Moscow exhibition guild,
- The Moscow Chamber of Commerce and Industry (MCCI).
When the task of holding a congress, forum or conference is solved by the Scientific Committee, then there is a number of organisational and technical problems in front of scientists, that takes a lot of time and human labour resources.

In this situation it’s better to address to a congress-operator who’s responsible for such actions of preparation and holding, as:

**EVENT SITE**
We’ll select for You a congress platform in any city of the Russian Federation, meeting all the requirements for the potential project, with necessary quantity of halls for various plenary and section sessions.

**NOTIFICATION**
We’ll create databases of potential delegates from actual MEDI Expo’s bases and carry out notification by direct e-mailing and sending paper letters.

**PROJECT BUDGET**
We’ll prepare a project budget with detailed description of its income and expenses, provide You with all the necessary financial documents and statements, and check all the wrong payments.
SPONSORS, EXPONENTS
We’ll define sponsorship and possibilities of an exhibition. By means of our client basis we will carry out search for sponsors and exponents for participating at the exhibition. We’ll make design of exhibition hall, carry out its mounting/dismantling; select contractors, optimal at the price and quality.

DELEGATES MANAGEMENT
We’ll carry out registration of delegates by means: online, by fax, e-mail; we will exercise control payment of accounts, we will prepare documents financial and tax accounts onto each person, we will provide current information on registered participants; we’ll organize the check-in area on the project, we will carry out questioning of participants and provide the statistic report.

ONSITE-MANAGEMENT
Logistics, technical supply and control of employees at the exhibition: installation/dismantling of the exhibition, distribution of rooms and the equipment, management of visitors, completing a delegate bag, simultaneous interpretation, internet broadcasting, catering and many others.

WEB-SERVICES
We’ll develop a concept, structure, design of web-site for the potential project, we’ll create pages of digital registration of participants, adding the possibility of payment by a credit card, we’ll make hosting, exploration and promotion of web-site.

PRINTING MATERIALS, PUBLICATIONS
We’ll collect, impose and print theses, we’ll develop design of any printed materials, we will perform imposition and printing of all the required materials.
