Teaching Experience.

As a member of the Irish Family Planning Association I trained as a tutor with Prof John Guillebaud . I have spent over 20 years lecturing in Reproductive Health Care both in Ireland and Europe.

I continue to teach practical skills in insertion of both Mirena and Implanon to my colleagues and I have acted as a resource person in this field.

In the past I have facilitated small groups of medical students from U.C.D in the field of reproductive health care.

At present I assist and facilitate General Practice Trainees for the T.C.D Scheme with Dr. Claire Mc Nicholas

Courses and Meetings

I am a regular attender at C.M.E Meetings chaired by Dr. Paul Lacey for the Dun Laoghaire Faculty of General practice.

I am a regular attender at Dun Laoghaire Faculty meetings.

I.T. Skills

I run a computerised General practice. All records are paperless and protected in accordance with the Data Protection Act.

Interests / Hobbies

I hill walk with the "Wee Binnians"

I play tennis at Sandycove Squash and tennis Club

I am a member of 2 Active Book Clubs.

I enjoy the Cinema ; theatre ;opera and the Arts in general.

I have recently returned for working with a mobile medical unit in South East Africa and have previously worked in Romania with a French Delegation.

I am bi -lingual French being my second language.
